

Love baseball? Looking for someone to be a part of your family or mentor your young up and coming baseball star? Help give back to our community and host a Weyburn Beaver baseball player. These student athletes come from universities and colleges all across Canada and the USA for the summer to represent Weyburn playing baseball and helping out in the community.

The Weyburn Beavers are looking for your help to become a host family for the upcoming baseball season which runs from the end of May to mid August. Host families are compensated for opening their home for the summer and always make a difference in the life of their billet helping make their summer in Weyburn an enjoyable one.

If you're interested in becoming a host family and/or would like more information on the process, feel free to contact the Weyburn Beavers billet coordinators:

Anita Sorenson – 306-861-2997 email – [sorenson6@me.com](mailto:sorenson6@me.com)

Lindsay Fellingner – 306-741-3970 email – [fellingerlindsay@hotmail.com](mailto:fellingerlindsay@hotmail.com)
